

# **EXCESS** **NORTHEAST**

Core Specialty is committed to providing clients with local expertise, ensuring the best possible service to insureds and their brokers.

# THE CORE SPECIALTY ADVANTAGE

## PEOPLE

Core Specialty underwriters are proven experts in their field and understand the hazards and risks associated with your business.

## PROCESS

Core Specialty uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently.

## CLAIMS

Advanced process systems operated by experienced claims professionals ensure world-class service both pre and post loss.

## RISK APPETITE

Core Specialty Excess specializes in small to medium sized accounts. We bring a new level of service to this market segment and will entertain a wide segment of business classes.

## FLEXIBILITY

Core Specialty Excess can design programs for homogeneous groups or provide coverage for a single small entity.

## CAPACITY

\$5M on a lead. \$10M available on high excess.

## SECURITY

Rated A- (Excellent) by A.M. Best
