

FINANCIAL SERVICES

THE CORE SPECIALTY ADVANTAGE

Core Specialty's Financial Services Division is recognized as one of the leading writers of credit-related insurance products in the United States. Carrying on a business with more than 60 years of experience in the industry, the Financial Services Division has earned a reputation as an industry leader by offering a wide variety of competitive products and services to the financial marketplace with top-tier client service. No matter the need, our experienced staff takes time to understand your organization's needs and design insurance products to fit your unique situation.
