

EXCESS
NORTHEAST

Core Specialty is committed to providing clients with local expertise, ensuring the best possible service to insureds and their brokers.

THE CORE SPECIALTY ADVANTAGE

PEOPLE

Core Specialty underwriters are proven experts in their field and understand the hazards and risks associated with your business.

PROCESS

Core Specialty uses the latest technology to ensure submissions are processed quickly, policies are issued immediately, and billing is handled efficiently.

CLAIMS

Advanced process systems operated by experienced claims professionals ensure world-class service both pre and post loss.

RISK APPETITE

Core Specialty Excess specializes in small to medium sized accounts. We bring a new level of service to this market segment and will entertain a wide segment of business classes.

FLEXIBILITY

Core Specialty Excess can design programs for homogeneous groups or provide coverage for a single small entity.

CAPACITY

\$5M on a lead. \$10M available on high excess.

SECURITY

Rated A- (Excellent) by A.M. Best
