

Lawyering Law

A comprehensive suite of risk management services for law firms and lawyers

Your legal malpractice insurance plan includes access to authorities and guidance on professional responsibility and loss prevention, at no cost to you.

Consultation

Consult confidentially with a senior risk management attorney on thorny issues that can - *but don't have to* - turn into bigger problems or costly claims. Hinshaw provides advice to help:

- ◆ Resolve a complex conflict situation
- ◆ Communicate a potential error to a client ethically and effectively
- ◆ Terminate a client relationship
- ◆ Respond to a demand for a client file
- ◆ Manage difficult clients
- ◆ Navigate technology and cybersecurity trends

Risk management resources

- ◆ On-demand ethics CLE programs
- ◆ A robust e-library of risk management forms, checklists, rules, guides, and articles
